BBB INDUSTRIES LAUNCHES A REMY® EVERYTHING YOU NEED TO KNOW SERIES

DAPHNE, ALABAMA: BBB Industries, LLC (BBB) a leading remanufacturer of automotive aftermarket parts, announces a launch of a Remy® Everything You Need to Know series. Whether you are new to automotive repair or you have been repairing vehicles for years, this series offers tips to make the most out of your starter and alternator repairs.

“Presently, the series consists of 25 individual repair tips to help with the correct methods for rotating electric repair diagnosis and installation,” said Matt Heater, Rotating Electric Director of Product Marketing and Product Management. “Technicians and DIYer’s will want to download and print these tips for ready access when performing any rotating electric repair.”

To access and print any of the tips in the series and to sign-up for alerts for additions to the series, visit www.RemyAutomotive.com/Print-Resource.

BBB Industries, LLC is an industry leader in the remanufacturing of starters, alternators, hydraulic and air disc brake calipers, both hydraulic and electronic power steering products and turbochargers for the OEM, passenger and commercial vehicle aftermarket industries and specialist in the rubber, metal and rubber-to-metal auto parts sector. Founded in 1987, BBB Industries, LLC is a private company and a portfolio company of Genstar Capital, headquartered in Daphne, Alabama. Please see www.bbbind.com for more information.
