BBB INDUSTRIES, LLC ACQUIRES UNDERCAR EXPRESS, LLC AND UNDERCAR EXPRESS EXPORT COMPANY

DAPHNE, ALABAMA – BBB Industries, LLC (BBB), a sustainable manufacturing industry leader in the automotive aftermarket, announced today that it has acquired certain assets of Undercar Express, LLC and Undercar Express Export Company (respectively, “UCX” and “UCX Express” and commonly known together as “UCX”). Based in Cleveland, Ohio, UCX has been sustainably manufacturing calipers for almost 25 years.

“We are pleased to announce the acquisition of UCX as we continue to provide high-quality products to our broad customer base,” said BBB’s CEO, Duncan Gillis. “I am excited to bring added value to our existing and new customer relationships.”

“UCX had been supplying premium sustainably manufactured calipers to the automotive aftermarket for over 2 decades, and it is exciting that we can continue to build upon these well-established relationships,” said Andreas Reger, President of BBB’s Undercar Business Unit. “Our customers are at the center of everything we do, and this acquisition allows BBB to further deliver product and service excellence to each of them.”

BBB Industries, LLC is an industry leader in the sustainable manufacturing of starters, alternators, hydraulic and air disc brake calipers, hydraulic and electronic power steering products, and turbochargers for the OEM, passenger, industrial, and commercial vehicle aftermarket industries. Through Industrial Metalcaucho, S.L.U., BBB also supplies the automotive aftermarket with an assortment of rubber, metal, and rubber-to-metal products across more than 64 countries. Founded in 1987, BBB Industries, LLC is a private company headquartered in Daphne, Alabama. Please see www.bbbind.com for more information.
