BBB Industries Launches Remy® Quick Tech Tip Video Series

DAPHNE, ALABAMA: BBB Industries, LLC, a leading remanufacturer of automotive aftermarket parts, launches a Remy® Quick Tech Tip video series, providing professional technicians and DIYer's with insightful repair solutions.

"We've seen a tremendous amount of positive response to the series, which currently includes over 100 video repair solutions for both starters and alternators," said Matt Heater, Rotating Electric Director of Product Marketing and Product Management. "Technicians and DIYer's can look forward to at least two new Remy® Quick Tech Tip videos each week."

To see any of the current videos and to sign-up for alerts for future videos, visit www.RemyAutomotive.com/Training.

BBB Industries, LLC is an industry leader in the remanufacturing of starters, alternators, hydraulic and air disc brake calipers, power steering products and turbochargers for the OEM, personal and commercial vehicle aftermarket industries. Founded in 1987, BBB Industries, LLC is a private company headquartered in Daphne, Alabama. Please see www.bbbind.com for more information.
