### **BBB INDUSTRIES INTRODUCES JOB-IN-A-BOX™ FOR ITS LINE OF OE-TURBOPOWER™ TURBOCHARGERS**

**DAPHNE, ALABAMA** – BBB Industries, LLC (BBB) introduces JOB-IN-A-BOX™ for its line of OE-TurboPower™ turbochargers. Turbochargers for class 1-3 applications will come as a complete JOB-IN-A-BOX™, which includes all the necessary items required to complete the job based on application needs: gaskets, O-rings, studs and a syringe to pre-lubricate the turbocharger prior to installation.

“The goal of JOB-IN-A-BOX™ is to provide the professional technician with a complete installation solution while also simplifying the ordering process,” said Stephen Albert, BBB’s Senior Product Manager for turbochargers. “We know that each job is different by application, and with the professional technician in mind, we want to go the extra mile to provide them with all of the necessary items needed to get the job done right.”

BBB Industries, LLC is an industry leader in the remanufacturing of starters, alternators, hydraulic and air disc brake calipers, power steering products and turbochargers for the OEM, personal and commercial vehicle aftermarket industries. BBB takes pride in producing the highest quality products in the industry – these standards apply to customer service, the manufacturing process, product installation and to the performance on the vehicle. Automated test fixtures test every unit manufactured by BBB to meet or exceed OE specifications. Founded in 1987, BBB Industries, LLC is a private company headquartered in Daphne, Alabama.
